at

THE FIRST CHURCH OF DEERFIELD

71 Old Main Street, Deerfield, MA

**CHAMBER
&
ORGAN
CONCERTS**

Out of concern for the safety and well-being of our artists, audience, and community, the BCMS has postponed the scheduled concerts of our 2020-2021 series.

We are most grateful for everyone's past support of the BCMS. Please rest assured that we will continue to fulfill our mission of bringing the best music possible to our area as soon as it is safe to do so. To this end, local trumpeter Thomas Bergeron and our own Director of Music Thomas Pousont have offered to present a program of music for trumpet & organ sometime in the late winter or spring of 2021, if possible. If live concerts continue to present too great a risk, we may be able to offer this event virtually. We will keep you posted!

We look forward to the time when we can safely welcome back you, our musical family, to “The Brick Church” Music Series.

Be well, and please keep in touch,
